

## **COMMITTEE MEMBER REMOVAL FROM OFFICE**

A committee member cannot be removed from office by either the voters or the committee itself. Therefore, regardless of his/her performance in office, a committee member remains in office until the expiration of his/her term, or until he/she resigns.

The only way a school committee member may be removed from office is through “recall” should a municipality have a “recall” article in its charter.

However, should a municipality have a “recall” article in its charter, a school committee member may be removed by “recall”.
