## SAFE HOMES PARENT NETWORK

### Community Support Pledge

Our business, organization, house of worship, local government, or other community group serving West County, supports and encourages the efforts of the Safe Homes Parent Network, whose stated mission is “*parents, guardians and community working together for drug-free, violence free youth*” in the Mohawk Trail Regional School District. By supporting the Network, we join parents and other concerned community members in encouraging discussion and actions to foster a safe social environment for West County youth and to help reduce the use of alcohol and other drugs.
